

Cambridge Exam Preparation Courses

Course Information

Cambridge Exam Preparation Courses

Morning lessons are structured to focus on grammar and vocabulary building, with specific focus on the 'Use of English', 'writing', and 'reading' papers.

In the afternoons the lessons focus on the 'speaking' and 'listening' papers. Students can expect to be given comprehensive practice of past papers and a thorough education in exam techniques.

At the end of your course you will receive a certificate of attendance from LAL. If you pass the exam, you will receive a certificate from Cambridge Assessment English, recognised by many institutions all over the world.

Student Profile

These courses are designed for students who need to pass a Cambridge examination for either school or work purposes. This is also ideal for students who are looking for a more structured course with clear objectives and continuous assessments of all four skills as per Cambridge standards.

Location

Torbay, Cape Town

Objective

- 1-6 weeks: Clear understanding of the exam format and expected skills ability and language structures needed to pass the exam.
- 7-10 weeks: Improved ability in all four skills, increased range of vocabulary and grammatical knowledge and overall improvement in required exam skills.
- You will learn how to approach all parts of the exam and become familiar with the types of tasks using a coursebook and a variety of supplementary materials, including past papers.
