Course Information

Intensive English

The Course

This course adds an additional 7.5 hours of English to the core General English course. The additional 10 afternoon lessons each week will give students the opportunity to put into practice the new language learnt in the mornings. Students will develop their reading, writing, listening and speaking skills. They will also work on extending their vocabulary. During these lessons the main focus will be to help students speak more fluently and interact more effectively in a variety of real life situations.

Student Profile

This course is for anyone who wants to study more intensively and accelerate their progress with English.
