Aviation English

E-learning course (40 hours)

The Aviation English e-learning course has been designed with the most pressing English language needs of the aviation industry in mind. The material is presented in an aviation context showcasing realistic situations, and will help you develop the skills necessary to deal with the content commonly found in aviation training courses, and documents, such as those produced by ICAO and other aviation related organizations.

You will develop the language skills needed to handle real-life situations arising in everyday aviation operations and for training purposes, and to understand aviation specific documents.
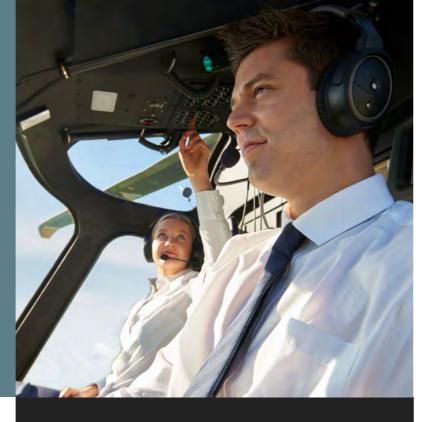

Target audience

Pilots

Air Traffic Controllers

Aviation professionals

Objective

Upon completion of this course you will be able to:

- Use standard aviation phraseology and plain language
- Identify airport signage
- Handle emergency situations
- Prepare and plan ahead for a flight
- Identify effects of weather
- Read back instructions

Flexible learning

This self-study e-learning course is a quick and flexible training method that allows you to learn using short, interactive modules.

Order online to receive access to this course on our e-learning platform.

Please use Chrome browser to access the course.

Course format

This course requires approximately 40 hours of study to be completed in 6 months from the purchase date (enrollment validity). After the enrollment validity expires, the users will not have access to the course content and will not be able to take the exam. Student performance will be based on four examinations.

Key topics

- Aviation language and communication
- Ground operations
- Airport layouts and runway incursions
- Weather
- Flight plans, ATIS and NOTAMs, and clearance delivery
- Emergencies

Prerequisites

Participants should have already attained ICAO Level 3 proficiency

Exam information

- Non-supervised online-based exam. Exam can be taken any time at your convenience.
- You will be given 30 minutes to complete each of the 4 exams.
- Passing grade is 70% correct answers.
- You will be given 2 attempts to successfully complete the first 3 exams, and 1 attempt for the final exam.

Certificate Awarded

Upon successful completion of the exam, you will be awarded an e-certificate available for you to print for your records.
